Italian Style

– Superior Italian design from 100 years of furniture manufacturing experience
– Cribs convert to toddler beds, child's day beds and full-size beds (rails sold separately)
– Cribs have 3 different mattress height levels
– Most cases have adjustable levelers on front posts/feet
– Nylon glides on cribs and cases to help prevent scratching of floors

Top Quality Manufacturing

– All crib slats made of select solid Radiata Pine for its exceptional strength while being environmentally responsible
– All crib slats are glued and nailed, top and bottom
– All composite wood materials (MDF, particle board or plywood) are certified to meet California and EPA requirements for formaldehyde emissions
– Taller cases feature tip restraint kits
– Drawer boxes with soft-closing, full-extension drawer glides for safety and convenience
– Drawer boxes in solid wood with English dovetail joints (front and back)
– Solid wood corner blocks and supports underneath every drawer box for the best construction
